March 1, 2010

Dear Parents,

It's been a wet and cold winter for us but we are starting to see flowers blooming and falling everywhere like confetti. Kids are now settled in the 3<sup>rd</sup> quarter and seniors are already talking about graduation. Remember that kids easily become restless around this time of the year because of more homework, quizzes, tests and outdoor activities. To top off the heavy load of school work, it's hard not to take our eyes off of their due dates for homework, projects and test preparation. If any of your children need extra help to bring up their grades, please let us know in advance so we can schedule them. Please note that we do have homework assisting session from Monday through Thursday. Below are the schedules for the months of March and April for all JC programs.

- \*Program A is closed from April 5<sup>th</sup> through April 9<sup>th</sup>
- \*Program B (Individual tutoring program) will still be going on during Spring Break. (If you are not planning to keep your regular schedule, please let us know by March 19<sup>th</sup>)
- \*Program C (SAT Prep) is closed April 10<sup>th</sup> but we will have class on April 3<sup>rd</sup>.

Please ask us about our 2010 Summer Program, which will be from July 5<sup>th</sup> through August 5<sup>th</sup>.

*Below are important upcoming events to keep in mind, but please check with your students for exact dates.*

**STAR TEST**

Mount Diablo School District

& Walnut Creek School District : Mar. 2<sup>nd</sup> (Grades 4 & 7 Standard Writing Test)
